

Four Lucrative Promotions, Two Great Brands, One **Easy Decision.**

Discover how profitable March can be when you think outside the box with Seagate® and Maxtor® external storage solutions.

Whether your customers need to back up business-critical data or store and share their personal music and photos, Seagate Branded Solutions has the answer.

Our Maxtor brand offers a suite of secure backup solutions for SOHO and small businesses that feature SafetyDrill™ technology for system restoration in the event of a crash or virus. For customers who need network backup, we offer Maxtor Shared Storage™ drives. And for high-performance applications like video editings, we offer the Maxtor OneTouch® III Turbo drive as an easy-to-configure RAID 0/1 solution.

Seagate FreeAgent™ external storage gives your customers the freedom to access their content anytime, from anywhere. They can carry their data with them, sync it with personal digital devices and share their data on the Web. The Seagate FreeAgent drive is a perfect fit for any active digital content user.

Anticipate your customers' needs by taking advantage of these exclusive March promotions:

- Get US\$20 off when you bundle a Seagate bare drive with a Seagate FreeAgent or Maxtor external drive. See more details at moresavings.seagatestorage.com.
- Enjoy generous SPP Partner rebates across both Seagate and Maxtor branded drives.
- Tell Us Your Tales of Heroism! Share a story where you suggested a Seagate or Maxtor external backup solution that helped you "Save the Day" for your customer. Send your story to reseller.partner@seagate.com and we will send you a Seagate T-shirt. We will read the stories and publish the "most intriguing" heroic story in our next SPP Newsletter.
- Earn points in the SPP PERKS training module towards fabulous gift redemptions.
